## Question(s) to Ask:

|   |   |  |
|---|---|--|
| Stuart Gordon                             | Re-Animator (Anti-Zombie)   | Would you support responsible regulation of Re-Animation practices, including informed consent requirements?   |
| Norman Reedus                             | The Walking Dead (Living Supremacist)   | Have you considered the effect of your work on the Zombie Community, especially Zombie children? (see back cover)  |
| Judith O'Dea                              | Night of the Living Dead (Living Supremacist)   | Do you think Barbra and her brother could reconcile given appropriate Living-Undead counseling sessions?   |
| Denise Crosby                             | Pet Sematary (Living Supremacist)   | Given the passage of time, do you still oppose Living-Undead mixed marriages, and if not, what changed your mind?  |
| Lori Cardille                             | Day of the Dead (Living Supremacist)  | Was your character actually opposed to a Zombie boyfriend, or merely succumbing to peer pressure?  |
| Mark Tierno and Debra Gordon              | Day of the Dead (Living Supremacist)  | As Featured Zombies, do you feel that your characters receive less attention and critical acclaim due to their Undeath status?   |
| Tom Savini                                | Dawn of the Dead (Living Supremacist), Day of the Dead (LS), Creepshow (Zombie Friendly), many more | Could we get more Zombie Friendly and less 'machete-in-the-head' style Zombie-Savini interaction? Do it for the Zombie Children. (See back cover.)   |
| Baron Mardi (ZRC Zombie of the Year 2010) | Atomic Age Cinema, especially AAC2: Atomic Boogaloo (Zombie Friendly)                               | As a necromancer and Zombie-American, you can see both sides of the reanimation issue. Does Dr. Herbert West's sloppy work give all Re-Animators a bad name? Would you condemn him for beer? |
