| <ul style="list-style-type: none"><li>• Do they support collective bargaining?</li></ul>  | <ul style="list-style-type: none"><li>• Yes. Zombies are big supporters of collective action, though some refer to their unions as 'hordes'</li></ul>                           | <ul style="list-style-type: none"><li>• No. Scott Walker hates unions and seeks to take away the rights of thousands of union members in WI.</li></ul>   |
| <ul style="list-style-type: none"><li>• Do they eat brains?</li></ul>   | <ul style="list-style-type: none"><li>• Not all Zombies eat brains; that is a harmful stereotype, perpetuated by a media prejudiced against the Differently Animated.</li></ul> | <ul style="list-style-type: none"><li>• We can neither confirm nor deny that Governor Walker eats piping hot human brains, fresh from the skull. He might be eating a brain right now. Someone should check.</li></ul>   |
| <ul style="list-style-type: none"><li>• Were they sent here by the Devil?</li></ul>   | <ul style="list-style-type: none"><li>• No, good sir (or madam), they're on the level. Also, Zombies derived from black magic are not typically Satanic in origin.</li></ul>    | <ul style="list-style-type: none"><li>• It's very possible. Has anyone confronted him with holy water, a crucifix, or consecrated ground?</li></ul>  |
| <ul style="list-style-type: none"><li>• Are they funded by secretive corporate billionaires out to radically alter our way of life?</li></ul> | <ul style="list-style-type: none"><li>• No. Zombies are not funded by corporate oligarchs.</li></ul>  | <ul style="list-style-type: none"><li>• Yes. Koch Industries donated \$43,000 dollars to Walker's gubernatorial campaign.</li></ul>  |
| <ul style="list-style-type: none"><li>• Are they intelligent life forms?</li></ul>  | <ul style="list-style-type: none"><li>• Zombies are the same thinking, feeling individuals they were when they were alive.</li></ul>  | <ul style="list-style-type: none"><li>• Walker dropped out of college with a C average, cut corporate taxes in a recession and now wants to take away your civil rights. So, probably not.</li></ul>   |
| <ul style="list-style-type: none"><li>• What should I do if I see them?</li></ul>   | <ul style="list-style-type: none"><li>• In our experience, a friendly greeting goes a long way. Perhaps offer them a cookie, if you have some handy.</li></ul>                  | <ul style="list-style-type: none"><li>• Above all, remain calm. Lock your windows and doors, then wait inside. Scott Walker is individually weak and poses little threat on his own. He can be recalled from office next January; until then ration your food and water carefully.</li></ul> |

## Did You Know?

- Thanks to Scott Walker Madison lost its chance to have a high speed rail line to Milwaukee, and all the jobs that would go into building and running it?
- We didn't get to keep the stimulus money that would have paid for the train to fill potholes or pave roads.
- Walker's new tax cuts just added \$117 million to the budget “crisis”?
- Zombies don't want to take away your right to collectively bargain.
- Walker may have a pulse, unlike most Zombies, but it emanates from his black and shriveled heart.
